

To Our Valued Customers,

On March 23, 2020 Oregon's governor issued a STAY HOME executive order (NO.20-12) for non-essential business activities. **Heating and Air Conditioning services are considered essential business functions** so we will remain operational at this time. Rest assured, First Call is adhering to all rules and guidelines recommended by the CDC in order to keep our customers and employees safe. These measures include social distancing, workplace sanitation, personal cleanliness (handwashing for 20 seconds), personal protective equipment when appropriate and requiring team members to stay home with any sign or exposure to people with coronavirus symptoms.

We are here for you should you need any assistance with your heating and air conditioning services in your home or place of business.

If you have any questions or would like to schedule a service, oil delivery, or install appointment please call or text us at 503-231-3311 or email us at:

Service/Tune-up: service@firstcallheat.com

Oil Delivery: oil@firstcallheat.com

Bid for Installation: sales@firstcallheat.com

Thank you,

First Call Team
